

Permanently Fused Snowflake (Due at February meeting)

Lightweight 2 sided fusible web (Lite EZ-Steam II or Steam-A-Seam 2)

9.25 " light or dark tone on tone **background** to contrast with snowflake

Snowflake fabric **about 9x9"** Be creative, these are imaginary snowflakes.

Trace snowflake pattern on side of liner paper designed to stay with web. (Design own snowflake or use patterns provided.)

Fuse to wrong side of snow flake fabric Follow directions on chosen fusible

Cut out design and remove remaining paper

Center & Permanently Fuse to 9.25 background (Winner will cut square down to 9")
