## *A Message from our President*

Happy New Year Everyone! I am no good at making and/or keeping new year's resolutions so the only one I'm making this year is to get the President's Letter to Tammy on time. Time will tell how well I keep this resolution.

Our January guild meeting is scheduled to be a comfy, cozy friendly get-together. We don't schedule a speaker because of the possibility of bad weather and cancellations. Plan to bring a goodie like an appetizer or dessert to share. Also, if you want, bring a project to work on. If you prefer, you can just come to eat and visit with other quilters. In the past I've brought projects that I needed advice on as well as just some light sewing. Usually I spend more time walking around to see other people's projects and talking.

Many, many, many thanks to Chris Allison who has volunteered to chair the quilt show committee. Please be willing to step up and help her fill the various jobs that are required for putting on this fabulous show. Past committee members have left extremely helpful notes to make the jobs easier. The quilt show is our primary source of income for paying our speakers and purchasing items

for the guild.

We are still in need of a vice-president. This does not mean this person will automatically become president next year but it does give the VP time to get comfortable with the workings of the board and feel more comfortable in filling the job of the president.

Many thanks to our wonderful program committee that has scheduled programs for many months to come. I'm looking forward to all of them although I'm afraid the organizational person would run screaming from my sewing room.

I had a pedicure recently since I still can't use my left arm enough to do my mails myself. When I told the gal I wanted to save the toe separators to use as bobbin holders, she laughed but gave me a couple extra. Oh the wonderful hints you learn at guild meetings.

Have a very happy and healthy new year.

Phyllis

## *Upcoming Programs*

February we will have organizer Rachel Whiteaker speaking to us. If you want, please take a photo of your sewing room and email it to me and I'll pass it on to her. We will not identify you but this way she can give specific advice on how to help organize your area. Also, if you have specific decluttering/organizing questions, I'll pass those to her as well! (She will be showing before and after photos of various areas.)

# Quilt Show News

We are still in need of a quilt show chairperson as well as the following committee chairpeople:

- Concessions
- Charm Shop
- Quilt Hanging
- Quilt Registration

Please contact Phyllis Fee if you are able to take on one of these responsibilities. We cannot have a quilt show without you!

# Getting to Know You

## Laura Riha

1- I have been sewing all together since Sept 2013. Took a class on how to get to know my sewing machine. Then I started making my son lounging pants and a pillowcase. Then I made a strip quilt. Then I was hooked more on quilting than I was using store bought patterns. I wish I could like patterns more cause there are some cute things out there.

2- My first sewing machine was a Brother CS6000i and that was what I started with in 2013. I had been looking into bigger nicer machines after that so I could have more options and throat space sewing room. Then in July my husband surprised me with a Brother 1500s quilting straight stitch only machine. I love that machine for its ;large 10" throat space and larger table attachment. Eventually I want to get a nicer machine with more stitches and maybe embroidery.

3- As far as quilt shops, I have only been to one and that is the Back Door Quilt shop. I get most of my fabrics from JoAnns. I make lil blankets, contoured burp cloths, table runners, and quilts for special purchase from friends and family. I love quilting and my husband loves that I have something that interests me too. I would someday love to meet Jenni Doan from MSQC as I love all her tutorials. My second favorite would be Vanessa from Crafty Gemini as I like watching her variety of crafts and videos.

4- I am 45 yrs old, married to a lovely Christian man since 1997, we have a 15 yr old son that we adopted in 2007 from foster care, we were foster parents for about 8 years until 2014, I am the youngest of 6 however I only have 2 siblings left, my husband and I come from big families, I am a stay at home mom. My other new hobby I am starting out on is refurbishing furniture and enjoying that too.

## STANDING RULES/REMINDERS:

The Quilt Connection Guild meets at 7:00 PM on the first Thursday of every month at the Greenwood United Methodist Church, 525 N. Madison Ave., Greenwood, IN. Annual Membership dues are \$15.00 and newsletter only members are \$5.00 yearly. Both are renewable in September. Guests may attend two meetings for free before deciding to become a member. Receiving a newsletter prior to the meetings is one of the benefits of membership. New members who join after March 1st pay pro-rated dues of half price. Each member is expected to make a cloth nametag. If a cloth tag is not worn to the meetings a 25 cent fee is assessed and contributed toward future door prizes. Door prizes are drawn monthly for members and guests. Members are eligible to win only if they are wearing their cloth nametags. New members are allowed a two-month grace period to create their cloth nametag.
